

Búsqueda para una madurez cristiana

"Search for a Christian maturity"

The Hispanic Ministry Office is proud to bring the Youth Program "Búsqueda" (*Search*) which has been successful in other dioceses.

We will have the First Busqueda Retreat on Labor Day weekend in Scottsville, TX.

We are planning on having about 50 Spanish Speaking teens including some that have already lived this retreat in the diocese of Little Rock Arkansas and now will be part of the working team. Please pray for the success of this Youth Program in our Diocese.
